MEXICO BUSINESS SUMMIT 17th EDITION PROGRAM FOR COMPANIONS

OCTOBER 21st, 2019

The Government of the State of Quintana Roo and the Quintana Roo Tourism Board are pleased to invite you to tour the wonderful archaeological site of Tulum and later enjoy a delicious lunch by the sea in this destination. Explore the Mexican Caribbean.

Tulum is one of the most beautiful archaeological treasures in Mexico built on the shores of the Caribbean Sea with more than 60 structures, highlighting El Castillo which has a height of 7.5 meters and has a small sanctuary; also just below there is a cave and a beach in a division on the cliffs that must have been perfect for the canoes of merchants arriving. It is the most visited archaeological site in the Mexican Caribbean.
